ALL WRAPPED UP

SARONG is the name of the new restaurant with well-known chef Will Meyrick at the helm. It occupies the building that used to be called Esmirada on Jalan Petitenget which has been totally redone. Meyrick says he wants a totally friendly and relaxed environment (as the name suggests) and the food will range from Asian tapas to more formal fare – plus a eye-opening new drinks list – one that will include grilled cocktails. (We can't wait for one of those!) "We want a fun and buzzy atmosphere but never forgetting the food is here to be enjoyed," he says.
